## Cheri enjoys Christ-centered program

I am so grateful for Beerlahai Roi Women's Ministries. It's only been three months since I arrived, but being here has already changed my life so much. For the first time in my life, I have a sense of peace within. I worry a lot less and have a clear sense of direction.

Being here has allowed me to save each week so I can have a stronger foundation when my daughter arrives in October. I thank God that He has put me on the right path and I feel so blessed. I'm also thankful for my job at Talbots in Springfield.

One of my favorite things about this program is that it is Christ-centered. I've been a Christian since I was 12 but it hasn't been an easy road. I've struggled somewhat and have had moments where I've questioned my faith. I'm so thankful that God has never left my side.

I look forward to having devotions in the house each week. It really helps me to stay on track along with going to church and spending time alone with God. I feel like we're one big family which is something I've lacked in my life. I'm very appreciative of the many donations we receive from generous people. Because of these donations, I feel much more prepared to bring my baby into the world. Beerlahai Roi is one of the biggest blessings.

Time here has been a life-changing experience for me.
